

# The Board Fit program

Led by the KPMG Board Leadership Center, the Board Fit program was created to help business leaders become outstanding board members. A highly customizable workshop, the Board Fit program is offered in one session, a full day, or anything in between. The program can include keynote addresses, featured panels, table discussions, and networking events designed to help build a foundation for participants who are interested in directorship opportunities as well as for novice corporate directors looking to strengthen their skills.

## Session topics may include a selection from the following:

- From the Inside Out: The Evolving Role of the Board
- From the Outside In: Expectations of Shareholders and Institutional Investors
- What I Wish I'd Known Then: Insights from Experienced Directors
- The Road Map: Understanding the Search Process
- Managing Investors and Time Horizons for Private Companies
- Conflicts of Interest and Related-party Transactions
- Shaping a Private Equity Portfolio Company Board

Board Fit programs are invitation only, for select groups. KPMG has also delivered workshops in conjunction with organizations sponsored by the firm.
