

# Merivale School Breakfast Club

The Merivale School Breakfast Club has been running for many years, it provides a great start to the day for the kids, fuelling their bodies ready for a day of learning. The breakfast food varies from hot beans on toast to Weetbix with fruit and milk (sponsored by Fonterra), alongside a popular, warming, cup of Milo which helps to create the social, café like atmosphere that has been generated over the years.

KPMG's Tauranga office has been supporting the Breakfast Club for nine years, with two KPMG volunteers heading to the school early each Wednesday morning to help ensure the kids get a good start to their day. The Breakfast Club gives us a direct connection with the kids who are always extremely polite and grateful for the kai.

This consistent community engagement with KPMG Tauranga's partner school has also inspired the other tenants of 247 Cameron Road to volunteer each week, allowing staff to pick up kids that can't get to school, or set the classroom up so they are ready to start their day as soon as the kids are in class.

“OMG, I absolutely loved it! Those kids were so cute. The littlest guy there ate the most, he had about four plates LOL. I can't wait to go back actually. Really enjoyed it.”
