

Edmund Hillary School Sports Camp

“This year I was fortunate to be able to volunteer and help our partner school EHS at their sports camp as part of the John Walker Field Dreams competition. The camp was a whirlwind of sports (archery, rock climbing, bowls and more), weather conditions, laughter, smiles and fun. This has been my favourite volunteer day so far and will definitely be volunteering in the future.”

– Jack Robinson, Assistant Manager, Tax.

Edmund Hillary School Sports Camp

Letter to Jack!

Dear Jack
Thank you for your support and your kindness to me, thank you also for cheering me on when I was playing archery and without your support our team wouldn't have placed third with a bronze. Thank you for your help and time, hopefully we will see each other again.

Kind regards

Moses :)

Thank you KPMG

Thank you KPMG volunteers for looking after us when we were at our 2022 Sports Camp last week. We really appreciate LJ, Jordan, Jack and Tara for leading and supervising us at the sports I participated in.

Thank you for reminding us to plan strategically before we got on the field each time. I admire how you inspired us to remain true to ourselves given the preparation we each bring to the team.

We were fortunate that you came because you advised us and recommended some changes to our positions at rugby league, rippa rugby and basketball. Thank you for all of the things that you did for us.

Best of luck with the rest of the year at KPMG. No doubt you are all great people to work with.

Nga mihi atu kia koutou

Tutanekai-Kingi, Edmund Hillary School - Papakura
